**COFFEE HOST
LOUIE GOODELL**

**NEWSLETTER
BRAD POLING**

New Chapter 393 president Dick White called the meeting to order and welcomed all to 1984. Minutes from November meeting were accepted as printed in the newsletter, and no minutes were taken at the Christmas dinner.

Dick White called for 3 goals to be achieved in 1984:

- 1) To double the number of 1st flights for members aircraft from 3 in 1983 to 6 in 1984.
- 2) To increase the participation of spouses in chapter activities - ideas are needed on how to achieve this.
- 3) To have the chapter relieve the chair shortage at meetings - purchase some chairs, some of which can be stored at the Terminal Bldg.

Treasurers report was read and accepted. A motion was made to keep actual dollar amounts out of the printed newsletter. The motion was seconded and carried by voice vote.

Rich Kelly stated that Elks Club was a great place for our Christmas dinner - it was generally agreed we should place our reservation for 1984 soon.

A questionnaire put together by new Vice President, Kay Smith was passed around and discussed. It is hoped we can get a better idea of what members like and dislike, and could improve about our group. Also, a tentative calendar of which was distributed and discussed. Any ideas for programs should be forwarded to chapter offices, and we will print updated calendars as needed.

Norm Alumbaugh invited us up to Pope Valley Airport to his hanger and ranch for an overnight cook-out and camp, with the date being tentatively set for May 5th & 6th - mark your calendars!

Update of EAA Library started by Rich Kelly - wide variety of catalogues and lists of suppliers, back issues of Sports Aviation, etc... We have the use of a cabinet at Navajo Aviation for our library - Rich will report next meeting on progress of setting it up.

Fly-ins- Several fly-ins are scheduled in the coming months - will keep you posted.

Larry Ford, President of Chapter 124, Santa Rosa, attended and mentioned that he and Brien Seeley will plan on having a complete report on the CAFE 400 coming up on June

MINUTES FOR JANUARY 25, 1984

- CONTINUED -

22nd and 23rd at our May meeting.

Next Board of Directors Meeting: Wednesday, March 14th at 7:30 pm, Dick Whites house.

The number of members on the Board of Directors was discussed, in an effort to increase member involvement. A motion was made, seconded and passed by voice vote that made post club officers automatically members of the board, and in addition allows the president to appoint 5 additional members. The new members of the board are Randy Alley, Norm Alumbough, Duane Duis, Rich Kelly, and Al Turner.

It was requested we run a regular column updating political activities around the airport, murmur of approval followed. Pete Wiebers reported that the West Ramp Port-a-Ports are being erected; occupation will be soon, but many hassles remain over paving, plumbing, etc...with the county.

Be sure to call Brad Paling at 827-3528 or 938-6000 to place ads in newsletter.

A "Precision Pliers and Screwdriver" set was raffled off, won by Rob Cook (again!!).

Extensive introductions followed the break. Some wild stories!
