## MINUTES OF JUNE MEETING

The meeting was called to order at 7:30 pm with over 40 people in attendance. Minutes and treasurer's reports from the previous month were read and approved.

We discussed upcoming airshows, Airport Day, EAA merchandise, the Recreational Pilot's certificate, the Flight of the Eagles to Oshkosh, projects for sale, the CAFE 400, Mode C, the SwiftFury, flying to Oshkosh (Rich Powell has the NOTAMS if you are going), strong sales in the sport aviation industry and more.

Lyle Powell related to us his impressions of the Questair Venture and the Glasair III after flying both less than an hour apart.

Kay Smith has been in the hospital for several weeks for back surgery. We all wish her a speedy recovery.

Special thanks to Richard Cabrinha for his program on the "Free Spirit".

## READ THIS

Dwain Duis is currently undergoing treatment for cancer. An ongoing study at UC Berkeley suggests that his cancer may be the direct result of working, unprotected, with chemicals such as MEK and paint remover during the restoration of his PT-26. Dwain warned us about the consequences of working with chemicals without wearing proper protection. Protection should include rubber gloves, a respirator with an organic vapor cartridge, plenty of ventilation and common sense.

We all wish him well.

## CHILE CON CARNE

8 to 10 servings

2 tablespoons olive oil  
3 pounds beef chuck, coarsely ground  
3 medium onions, chopped  
3 tablespoons minced garlic  
1 Anaheim chile-roasted, peeled, seeded, and pureed-or canned green chile, seeded and pureed  
1/3 cup chile powder  
1 can (35 oz.) Italian plum tomatoes, coarsely chopped, with their liquid  
1/2 cup tomato sauce  
2 cups beef stock or water  
1 can (12 oz.) beer  
3 tablespoons red wine vinegar  
1 tablespoon coarse (kosher) salt  
2 teaspoons freshly ground pepper  
2 teaspoons paprika  
1/2 teaspoon ground cumin  
1/8 teaspoon hot pepper sauce  
3 cups cooked kidney beans or canned, drained and rinsed

Shredded cheddar cheese, chopped  
sweet onion, sour cream, chopped  
fresh coriander and/or hot salsa, for garnish

1. In a large heavy skillet, heat the oil. Add the beef and saute over high heat, stirring, until lightly browned, about 10 minutes. Drain the meat, reserving 3 tablespoons of the fat.
2. Return the reserved fat to the skillet, add the onions and cook over moderate heat until lightly browned, about 8 minutes. Add the garlic and cook for 1 minute.
3. In a large flameproof casserole, combine the beef, onions and garlic with the pureed Anaheim chile, chile powder, tomatoes with liquid, tomato sauce, stock, beer, vinegar, salt, pepper, paprika, cumin and hot sauce. Simmer over moderately high heat, stirring frequently and skimming off excess grease, for 35 minutes.
4. Add the beans and cook for 10 minutes longer. Remove the chile from the heat and let stand uncovered at

room temperature for 3 to 4 hours so that the flavors can develop. (The chile can be made ahead and refrigerated overnight. It is better the second day.)

5. To serve, reheat the chile and adjust the seasoning if necessary. Serve with an assortment of garnishes.
