President Bill Bower's Notes for September:

As fall starts to bring on its changing colors we can look back at one heck of a hot summer. Made for some really hot flying days. We are lucky that in California we have such great weather that was made for flying. Of course the amount of days filled with smoke from all the wild fires put a damper on some of them. It has not kept our Wednesday Fly Out group on the ground.

For any of you who may have had family that were affected by the recent Hurricanes I hope everyone is safe and doing OK. I know our hearts go out to those affected and now have to deal with the aftermath and rebuilding. Especially those in the Caribbean Islands that took the brunt of Irma. It will be a long road to get back to normal.

We just had our September Young Eagles Rally. I was not able to attend due to my work schedule and have not heard an after report, but am sure it was a success in the capable hands of Stephen Tucker and everyone who comes out to help. Without all of you it would not be possible. Thanks to everyone who puts out so much. Also as far as Young Eagles the board has voted to add a additional rally to be held in conjunction with the Patriots Jet Team on November 4th at Byron. Much like the one we did in June. That one was a great success and as long as the weather does not throw us a curve it should be as well.

It has been almost 2 years and thus once again it is election time for the Chapter Officers. Members Guy Jones and Scott Achelis have been appointed to head the election committee. They will be coming up with a list of people to nominate for each position of President, Vice President, Treasurer and Secretary. Nominations will also be taken at this month's general meeting and the election to be held at our October meeting.

We are beginning plans for our annual Holiday Party on December 9th. So make sure you mark it on your calendar. Invitations will be going out at a later date.

Remember this month's General Meeting is September 27th. Dinner at 06:30 PM. Hope to see everyone there.
